What matters to you? Take the survey

And help us improve local health services

As part of the Better Services Better Value review we need to know what matters to you when it comes to healthcare.

Please go online and fill in our short survey so we can put together a checklist to help doctors and nurses decide which options are the best for the future of local services.

You can find the survey via our website www.southwestlondon.nhs.uk and Facebook page or call 0203 458 5747 for a paper copy.

Survey closes Friday 6th January 2012
