

Want to have a say in the plans for Health Services?

We have organised a special event for Carers to meet Nicola Jones the Lead GP in Wandsworth to put their questions directly to her.

Find out what the changes will mean for you and what will be done for Carers

The Carers' Centre is working with the new GP Consortium to consult with Carers.

The event will also include Jenny Weinstein Chair of the Wandsworth LINK (Local Involvement Network) to listen to your views.

This event will be your chance to

- Say what is important to you about health care services?
- Say what makes a 'good' service for you as a Carer?

To hear more about the plans and share your suggestions join us on:

- **Thursday 20th October**
- **Earlsfield Library**
- **276 Magdalen Road, SW18 3NY**
- **12.30—2.30pm**
- **Refreshments provided**

You can also give us questions you would like included or examples of what currently does or doesn't work for Carers if you can't attend. We will need these by 14th October.
